

REQG Log Cabin Dec-2018 Block of the Month

It is almost December and I am just getting over the fact summer has finished! For the December BOM I've chosen a traditional "Log Cabin" with a red center, representing the hearth of the home. The scrappy log pieces of the block will be a combination of greens and golds. If you have a combination of scraps that will help all the blocks to blend. If not, try to keep with the color families of each section- center (brick red), light colored logs (gold), and darker logs with dark green. Have a great season during the holidays, and stay warm near the fire/ hearth! This block is 11" unfinished.

FABRICS (P)= piece #)

Center square-Brick Red

Cut 1- 2"Square (P#1)

Light-Gold log rectangles

Cut: 1-2"square (P#2)

1-2" x 3 1/2"(P#3) log

1-2"x 5" log (P#6)

1-2"x 6 1/2" log (P#7)

1-2" x 8" log (P#10)

1-2" x 9 1/2" log (P#11)

Dark Green log rectangles

Cut 1-2" x 3 1/2" log (P#4)

1 2"x 5" log (P#5)

1-2" x 6 1/2" log (P#8)

1- 2"x 8" log (P#9)

1-2"x 9 1/2" log (P#12)

1-2'x 11" log (P#13)

DIRECTIONS

When you sew these pieces together you will start with the center and work towards the outer edge in a counter-clockwise position. These blocks will be numbered in the diagram.

1. Sew the two -2" (center) squares together and press towards the dark.Red- piece#1, and gold P#2.
2. Next, sew P#3 to the right side of the center squares, with red block on top and gold on bottom.

Press towards the gold.

3. Sew the next green (P#4) "log"to the top of the block. Press toward dark.
4. Sew the next green log (P#5) to the block adding each piece in a counter-clockwise direction. HINT: Keeping the red square at the top , with the gold square at the bottom (in the middle) you can keep track of where to place the next pieces.
5. Sew the next gold log (P#6) to the bottom of the block. Press to outer edge.
6. Sew the next gold log (P#7) to the right side of the block. Press open.
7. Sew the next green log (P#8) to the top of the block, press open towards outer edge.
8. Sew the green log (P#9) to the left side of the block, making sure the red center square is in the correct position (see hint).
9. Sew the next gold log at the bottom of the block.(P#10). Press outward.
10. Sew the last gold log to the left side of the block.(P#11). Press outward.
11. Sew the green log (P#12) to the top of the block. Press
12. Sew the last green log (P#13) to the left side, press.
13. Trim log block to an 11" block unfinished..
