REDWOOD REMNANTS

September 2019

President's Message

Welcome back! It seems like summer gets shorter every year. This summer, many of us were working diligently to make sure our "Heart of The Redwoods" quilt show was a success, planning and work that took almost a year to complete. Thank you to all of you who made time to show up and help it be the success that it was! The upfront planning that the Quilt Show Committee completed was a big challenge, especially as we had several key committees without a chair. Jan Phelps took on multiple jobs besides chairing the show, as did several of the other members of the committee. It's such a huge job and without enough volunteers to do the many jobs throughout the year, the committee chairs were stretched very thin. Members who volunteered during the two days setting up and the two days of the show were very much appreciated, even if everything didn't go quite as planned. The quilt show wrap up meeting was a good time to look at how things went and how they can be improved next time. There is always room to improve. The quilt show is our biggest fundraiser and we need to look at how we can be the most successful as well as look at other ideas for keeping our Guild afloat. Your input is welcomed.

Welcome to new members and our new officers. We will have introductions at our September 5th meeting. We will give you an overview of areas that you can consider volunteering for. If everyone does a little, we can accomplish much.

Here's some food for thought: It's not my job….This is a story about four people named: Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

This year, we will continue to have great teachers and programs. Stay tuned for announcements of more fun to come. We will continue the Sit & Sew Saturdays the third Saturday of each month.

Please join us for our first meeting of the year on September 5th. Board members will provide refreshments. I hope to see you then.
Martha Johnson
President, REQG

1ST VICE PRESIDENT

Come see what the new guild year has in store for us. We are continuing the UFO program as well as Sit-N-Sew Saturday. If there is anything you would like to see in our program, please contact me. I'm always open to new ideas.

This month we will be introducing new officers and committee chairpersons, checking in to see what fun everyone had during the summer break, and, of course, we look forward to seeing all those quilts you completed!!!

See you September 5, 2019 at the meeting.

REQG National Speaker is Set for the October Meeting

I was fortunate to talk to Marjan Kluepfel at the June Northern California Quilt Council meeting and arranged a date for her to present a power point/trunk show presentation on Thursday October 3 and two of her wonderfully creative workshops on the following Friday and Saturday.

Marjan, a native of the Netherlands, currently lives in Davis California by way of Australia, Florida, South Carolina, and Hawaii. She has taught classes throughout the United states, Australia and New Zealand. Marjan's presentation on Thursday night is entitled "Creative Exploration". The titles of here two workshops are:

- "Free-Form Fiberscapes": In this workshop you will create free form fabric collages using many different surface design techniques, fabric manipulation and sculpting. Find out how liberating and exciting it is when you don't have to follow rules or measure anything. Learn about essential design principles to make a beautiful fantasy view or use one of her patterns ($10 each). Learn how to make multi-fabric tree trunks and fiber lace using Sulky Solvy water soluble stabilizer, fused applique, free-motion machine embroidery, tread painting and more. This workshop is scheduled for Friday, October 4 from 9 AM to 4PM.

- "Plantasy" is the name she uses for her fantasy flowers and plants. Create an original wall quilt from an original design or use one of her beautiful oversized flower patterns ($10 each), using such techniques as fusible web, free-motion machine embroidery, thread painting, foiling, embellishing with beads, etc. See sample of her pattern options for Plantasy. This workshop is scheduled for Saturday, October 5 from 9 AM to 4 PM.

Marjan has a beautiful website; marjankluepfel.com. I recommend everyone go online and look at her body of work.

Members of REQG, Moonstone and Eel Valley Quilters can enroll in one or both classes. The fee for paid members are $35/class, fee for non-members is $45/class. Sign-ups will begin at the September meeting. If you are unable to attend the September meeting, please call Nancy Frost at 707-443-5264 to reserve a space in one or both workshops. Please bring a check or cash to the September meeting to hold your space.

ZEN AND THE ART OF FREE FORM FIBERSCAPES - Marjan Kluepfel

You will create a free form fabric collage using many different surface design techniques and fabric manipulation. Find out how relaxing and liberating it is when you don't have to follow rules or measure anything.

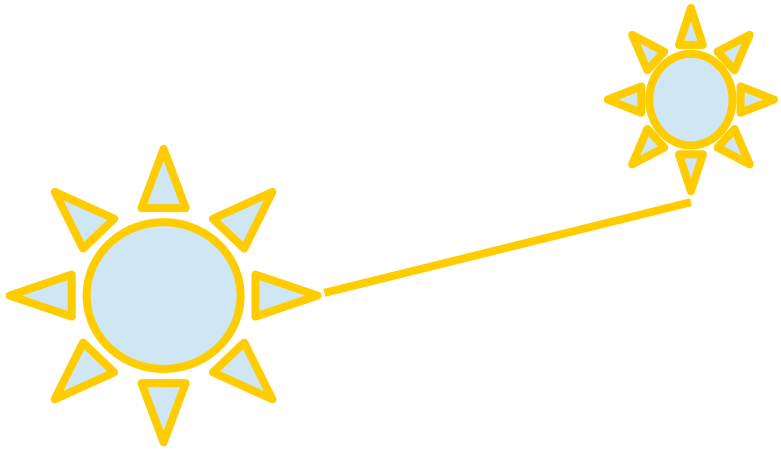
Learn about essential design principles to make a beautiful fantasy view or use one of my patterns ($10 each). You will learn how to make multi-fabric tree trunks and fiber lace using Sulky Solvy water soluble stabilizer, fused applique, free-motion machine embroidery and thread painting, bobbin drawing and couching, and embellishing with Angelina, Textiva and foil.

Materials List: Lots of small pieces (fat quarter size) of landscape fabrics (browns, greens and sky) I prefer batiks and hand-dyes. Hand-dyed fabrics will be available for sale in class, $22/yard. Embellishments (green and brown threads, yarns and ribbons). 3 yards of fusible web (with paper backing) such as Wonder Under or Steam-a-Seam . Sulky Solvy water soluble stabilizer (also available for sale in class);Teflon pressing sheet; paper, sharpie & pencil, fabric glue stick. Sewing supplies including scissors, pins, green and brown machine embroidery threads; rotary cutter and mat, (small iron). A sewing machine in good working order. It doesn’t have to be a fancy machine as long as you can either lower or cover the feed dogs for free-motion embroidery and quilting (darning foot).

Small Quilts

Welcome to the new guild year.
We are continuing with making small quilts and preemie quilts.
The small quilts can measure anywhere from 22 inches to 26 inches square.
The preemie quilts should measure 18 inches square.
This is a great opportunity for you to use up scraps and orphan blocks. It is also a good way to practice machine quilting.
The small quilts will be donated to different animal rescue and non profit organizations.
The preemie quilts will be donated to our local hospitals.
I am going to check to see if we can still ship some to UCSF as that is where our most critical babies are sent.
I will bring squares of batting to the meetings if you are in need of any.
I will be stationed on a corner of the raffle table.
If you have any questions email me at susiefreese@gmail.com or call me at 445-5844.

Welcome Back to Block of the Month

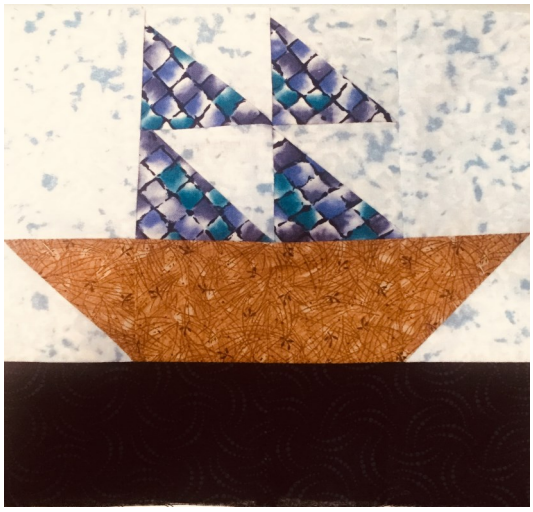


Hi there quilty friends! Welcome back to another year of Block of the Month, where you can win a little or a lot of blocks by raffle!

For a quick review: 1. Each block you make and submit to the current month's raffle, you may enter 1 ticket per block. Make a few to have a couple of matching blocks and you have more of a chance to win the lot!!

The winner of the month's raffle, will participate the rest of the year, by making the bom, each of the following months. Please don't wait till May to try to win! Just kidding. It is fun to see what we can do. Last year I made two blocks for each month and I will almost have a sampler quilt of the BOM *2018-19

(I just need July and August), from my own stash!



The following are the **CUTTING DIRECTIONS** for each color fabric:

- (1) rectangle 8 ½ “” x 2 ½ “ (Water) DK Golden texture (1)rectangle 4 1/2” x 2 1/2”

(1) 3 3/4” square – (Makes 2 HST ½ sq tri)

cut (2) squares 3 3/4” (4 HST) Sky Blue textured with blue-white- Cut (3) 3 3/4” squares

(2) rectangles 2 1/2”x4 1/2” (side of sails)

SEWING PATCHWORK DIRECTIONS:

HALF SQUARE TRIANGLES (HST): There are 6 HST total in this block. The directions are how to sew together and trim up to correct size. These directions are for the sky and boat pieces of this block.

1.Take the sky-blue 3 ¾" squares and draw a diagonal line from one corner to the opposite corner. Match up the gold and violet squares with the sky-blue squares, with right sides together.

2. Sew a seam 1/4" away from the marked line on each side. 3. Cut apart on the line, and press seam to the darker side. 4.Trim the block using the diagonal line on your ruler to measure 2 ½ square inches.

SAILS: Referring to the picture above, sew two rows of violet and sky-blue hst together. Sew each row togetherone on top of each other. Once you have the 4 squares sewn together. Sew a skyblue 2 ½' x 4 1/2" rectangle to each side. This is the first section of the block.

BOAT: Sew the Gold 2 1/2" by 4 1/2" rectangle to the each half square triangle, with the sky at the bottom left/ right, and matching sides, referring to the picture. Press the hst toward the center of the boat.

Sew the navy blue rectangle to the bottom of the boat. Press the main seams towards the bottom.

Trim up to 8 1/2" square, using the diagonal on the ruler.

Enjoy sewing the Sailing the Sea block and drop by the BOM table to say hello ! HAVE A GREAT REST OF THE SUMMER!!

OPPORTUNITY QUILT RAFFLE TICKET SALES

Hello everyone!!! Thank you to all who helped make sales of tickets possible.

For those who could not be at the quilt show on Sunday, July 28 for the drawing, Maggie Stimson was our winner. The winning ticket was pulled by a sweet 86-year young lady who was thrilled that we asked for her help.

There are prizes to be had this meeting for those who sold the most tickets and were able to volunteer the most hours.

Pat Smith

Would you like to join a Mini-Group?

A few members responded "yes" when returning a renewal membership form. Some new members might like to join too. If you are interested in being part of, or leading a mini-group in your area, drop me a note at the Membership Table or e-mail me (ernieorjudy@suddenlink.net). Signify if you'd like a day or evening group and would like to be a leader. In a few months, I will organize names and pass them out. I will put names together and notify interested quilters to form their own groups. Your jobs will be to start your own groups with other interested quilters.

Over 20 years ago, when I moved here, I found it impossible to join an existing group. I met with Helen who was then President of REQG and she encouraged me to go ahead with the same thing I am doing now. About four new groups were started then. Let's see what happens!

President's Report, Martha Johnson:

Martha called the meeting to order at 6:27. Past board members were thanked for their service and new board members were welcomed to the board. Martha thanked the board members for all their help with the quilt show. Most of the board members worked the quilt show. The quilt show wraps up meeting will be September 12th, 6 PM, at 512 L Street, Eureka.

The calendar for REQG –8/2019 – 6/2020 General meetings to be held on the first Thursday of each month except July and August when meetings won't be held. Board meetings will follow on Monday evenings after the general meetings except for August when there will be a board meeting but not a general meeting. Sit & Sew will help on the third Saturday September - December.

First Vice President Report, Pat Smith:

Pat reported on special events and guest speakers who will present at REQG meetings. The November speaker will be changed to October. April is the Right to Vote Challenge. May will be the national speaker. March is the quilters weekend. March will also be the basket auction. Angie Tustison might do a trunk show in November. There are no special events planned for January and February at this time.

Second Vice President, Nancy Frost:

Nancy reported that Marjan Kluefel will make a presentation for the October general meeting with classes by Marjan following on the weekend after the meeting. There was talk of classes on Friday evening, all day Saturday and Sunday, October 4, 5, & 6. Nancy expressed disappointment that members failed to vote on what type of class they wanted from Marjan. After a brief discussion it was decided most members present wanted free form fiberscapes and plantasy. More information about these classes can be found at marjankluepfel.com
The board set the fees for classes at $35.00 for quilt guild members, not just REQG but all guild members, and $40.00 for non-guild members.

Susie stressed the importance of having a sample from Marjan to sell these classes. Nancy said she could get samples by the September general meeting.

Treasurer Report, Linda Parrish:

Linda gave a short verbal informational report about the quilt show profits. She will provide a full report at the September board meeting. Linda stated the she really enjoyed the quilt show.

Community Liaison, Mimi Mace:

Mimi gave a report on community quilts. As of June, bindings checked in 20, bindings checked out 28, kits in 5, kits out 26. Donations, 2 children's quilts and cards. (this report was handwritten by Mimi and retyped by me, Noreen).

Mimi is retiring as the community liaison at the end of the quilt year, June 2020. The guild will be looking for someone or multiple people to fill her position as the community liaison.

Parliamentarian, Ginger Carter:

Martha thanked Joyce and welcomed Ginger as the new parliamentarian.

Membership, Judy DeGraff,

Judy was concerned about the membership forms and wanted to know where they would be found. It was reported that Wanda has the membership forms and Linda has the membership funds. There was some discussion about updating the membership forms. Judy reported that she has only had one tutorial on the Access program. Wanda is supposed to train Judy on Access. Judy does not feel she is up to speed on the program yet. Pat offered to help Judy with the Access program.

It was reported that 27 people either renewed or joined REQG during the quilt show.
Carol Hansen talked about the new and renewed memberships and a discussion was held about ordering new pins to be given to new members.

Newsletter:

Yvonne Jolley was absent. Martha reminded board members to get articles in by the 15th of each month for the newsletter.

Challenge Quilt, Nancy Frost:

Nancy will present the dates for the challenge quilt, The Right to Vote, in September.

Small Quilts, Susie Freese:

Susie spoke with Tina Methaney from St. Joseph. Tina told Susie their cupboard is pretty full of preemie quilts. The hospital would like the preemie quilts to be a little bigger, 18 inches rather than 15 inches.

HAF, Carol Hansen:

There was some discussion about the HAF funds. Kathy Baer, Maggie Stimson and Carol Hansen will work on how to amend the parameters of the grant funding. Carol will be getting ads out for grant applications to the quilt shops and other guilds and will report back at the next board meeting. Linda will get the fund information to Carol so she will know how much grant money will be available.

OLD BUSINESS

Inventory:

The inventory date was set for August 31, 2019 at 9 am. Martha, Maggie, Susie, Linda and Kathy volunteered to do the inventory. Martha will pick up bins.

Computers: Martha wanted to know who has quilt guild computers. Pat Smith, Linda Parrish, Wanda, Judy, Yvonne all have computers. Some of the computers are old. Susie said it is easy to dispose of the old computers at Recology and it's not very expensive. Martha will ask at the general meeting who else has computers.
Martha will buy flash drives for those who need them to back up electronic files for the guild.

NEW BUSINESS

Martha informed the board that she is currently filling the publicity position because it is vacant.
Martha and Pat will be going to the fair and will decide which quilt will receive the $25.00 REQG award.

Audit Committee, Linda Parrish:

Linda will provide a report at the September meeting.

Placemats, Martha Johnson:

Martha suggested members could make placemats for home delivered meals. A motion was made by Kathy Baer for the REQG to start a new project of making placemats, in sets of 2, to be given to people who receive delivered meals at home. Joyce Turner seconded the motion, after some discussion as to size and other ideas about making bibs it was voted on by members present to accept the motion as presented. Motion passed. The size of the placemats will be 14X18. Susie offered to bring bags of batting scraps to the general meeting in September to be used for the placemats.

Martha reported that someone from the Fog Dogs motorcycle group wants a quilt made for their group. Fog Dogs is willing to pay someone to a make a quilt. After a short discussion it was decided Martha will put it out to the general membership.

The meeting was adjourned at 8 pm.
