

REDWOOD REMNANTS*March 2020*

well hello,
march

President's Message

Spring has (almost) sprung and I'm looking forward to more sunny Spring days ahead, minus the north wind, of course. We will be holding our annual basket auction at the March 5th meeting and I hope you are planning on attending. It's always lots of fun and there will be many treasures to bid on. Please let Pat Smith know if you can help as a table monitor.

The Quilters Weekend will be March 20-22. There may still be a few spaces left if you hurry. As usual, we will ask for helpers to set up, in the kitchen, and take down.

There are many other activities being planned for our Guild and we would really like you to participate. All our events and activities take many people to organize and we want you to participate at whatever level you are able.

The Board is asking for help in welcoming new members and helping them to learn about our Guild and what we have to offer them. Let me know if you are willing to be part of a Welcome Committee.

The Board is also considering how we can carry on with Community Quilts once our Queen Mimi retires from her position as Community Liaison. It will take a village and a couple subcommittees to accomplish part of what Mimi does for us. Shelly Sellers is holding some exploratory meetings to come up with a framework for an ongoing committee. You can contact her at the meeting or give her a call with your input. We need to get this figured out soon, so please don't delay in responding.

We still don't have a Quilt Show Chair or co-chairs, although some members are promising to sign up for committee chairs once we have the Chair position filled. The Board has decided they would like to hold the quilt show Friday and Saturday, July 16-17, 2021 at the Sequoia Conference Center. If we aren't able to appoint a chair soon and fill all committee chair positions, we may not have a quilt show next year. The more people who help, the easier it will be to make it a great show. Please let me know soon if you are interested in Chairing or would be willing to co-chair.

Don't forget to sign up for a fabulous weekend, June 19-21 at Cindy's Day Camp in Willow Creek for a great weekend of food, friends and lots of sewing. See me or Pat Smith for more details. The cost is \$100 and your deposit of \$25 will hold your place. Space is limited, so sign up early.

Martha Johnson

President

1st Vice President

We made it through the first two months of 2020 – Woohoo!! Anyway that’s how I feel. Now for the rest of the year.

Sign-ups for our annual March Quilters Weekend are going along quite nicely. There are only 7 slots left open so if you would like to attend please give me a call or see me at the March meeting. Bring your payment of \$40.00 to insure you have a spot. The event will be held at the Eureka Moose Lodge on Campton Road. All participants will receive a welcome package at the March meeting or, if you are not able to attend the meeting, I will mail it to you. If you have a fat quarter or two hanging around, I could use any donations for an activity idea we came up with. Please bring those to the meeting as well. And, if you have a quick, and maybe novel, demonstration to showcase at the weekend, please let me know. It’s a great weekend with tons of visiting/eating, visiting/eating and maybe a little sewing thrown in!

This meeting is the Basket Auction, a great fund raiser for our Guild. Please bring your baskets (as early as possible) to the meeting. If necessary, call me to make arrangements for delivery. Please print and complete the attached Bid Sheet to your basket prior to the meeting to save time. (Of course, we will have extra copies at the tables as needed.) The Guild is providing wrap for the baskets. There will be proctors at each table to help with viewing and to answer questions. For those bidding, bids increase by a minimum of \$2.00 even (no cents). Cash, checks and credit/debit cards accepted.

See you at the March 2020 meeting.

1st Vice President Co-Chairs Pat Smith and Barbara Gurney

National Speaker is Scheduled to Present in May

You don't want to miss the May 7 REQG meeting, nor the workshops scheduled for Friday, May 8 or Saturday, May 9. We have arranged to have Colleen Granger, owner of Sew Little Time Quilting, give a presentation entitled "A Bodacious Trunk Show" based on quilts that appear in her quilt book. Her workshop for Friday is entitled "Simply Charming" and her Saturday workshop is "Rings of Change".

Colleen began her quilting career over 20 years ago in Alaska soon after retiring from the Air Force. She is proud of her service in the military as a helicopter mechanic. Her work as a mechanic enhanced her special awareness which is so critical for her new career as quilter.

Colleen took up quilting while raising her family in Alaska. Within a year of piecing her first quilt, she bought a Gemmill quilting machine and began quilting for others. She got on a roll and hasn't looked back. Colleen has taught quilting classes in Alaska, Arizona and California as well as at Quilt Festival in Houston and Chicago. Colleen offers retreats each year at Duncan Mills on the Russian River.

"Simply Charming" scheduled for Friday, May 8. The pattern uses either a 5" charm pack or a layer cake cut into 5" squares and a background fabric. There are three versions from which to choose. If students are very accurate with their cutting, a second quilt can be completed out of their fabrics.

"Rings of Change" is scheduled for Saturday, May 9. This pattern uses either 18 fat 1/8s, a 2½ "strip pack or a laser cut kit available in either American Made Brand fabrics or Hoffman batik (Available from the speaker). Pieces of the rings are cut using a template. Once the pieces are constructed into a ring, students can begin experimenting on the design wall with

ring placement. Students are encouraged to bring their mobile phones to take pictures of their design options.

If you are interested in learning more about Colleen, her business, or her retreats go to her website colleen@sewlittletimequilting.com. Signup for the quilt classes will begin at the January meeting, please bring your check made out to REQG to reserve your space in one or both workshops.

Membership News

We have five renewals. Several we haven't seen for a while, and others we know well. Thank you all!

Please remember to check your name off the Sign-in Sheet. Some of you arrive earlier than Joyce and I...and we do want to keep an accurate record.

I was sorry to miss the February meeting. I have been staying home to be careful of catching a bug but went to the ERVQG meeting and a few days later, I came down with bronchitis. Luckily, it was a light case, but nonetheless, required a few days of rest, Tylenol and lots of liquids. Thanks to Joyce for taking good care of you.

We hope you are enjoying your favorite pastime (hopefully it's stitching!).

Remember to thank your officers and Board members AND pay attention to the upcoming needs of our Guild..... Volunteering is good for you and good for the Guild!

See you soon,

Joyce and Judy, Membership Committee

April Quilt Challenge: The Right to Vote

Time is running out. The challenge quilts are due on or before Thursday, March 26 to either Nancy Frost (443-5264) or to Sarah Gulrich at Ocean Wave.

I hope you are being more successful than I have been. My conceptual ideas are just that—still concepts. The hands-on versions have not worked out well. Going from paper design to fabric is causing me some angst. But I will persist and get something done by my own deadline. I hope I see many small quilts on March 26.. I would hate to give back any of the \$30 prizes to the guild because there are too few submissions.

Once again, the requirements for the challenge are:

Be no bigger than 24 by 24 inches (maximum of 96" perimeter)

Include one or more words (not party of the fabric) that are embroidered, stenciled, drawn, painted, appliqued, etc.

Reflect some aspect of voting but not limited to women's right to vote – may be historical or contemporary issue related to voting

Provide a brief description of the inspiration for the quilt, your name, phone number and address on an attached label or index card

Be submitted on or before Thursday, March 26

I'm looking forward to displaying them at our April 2nd meeting and again at the League of Women Voters "State of the Community Luncheon" on Friday April 24 at the Adorni Center. The League will be recognizing Wanda Wahlund (our REQG member) for her extensive community involvement .

I will have tickets for the LWV Luncheon available at the April 2 meeting (price is \$62.50 not \$60) for those who would like to support Wanda by attending and sitting at the REQG table.

Placemat Project

Sorry I missed the meeting...I heard it was very impressive. Thanks to all of you who brought in the lovely placemats? We're more than halfway through the number needed to cover all the recipients, so let's not give up now! After I collect them, I roll up the pairs together, tie each with ribbon, and add a little card wishing the Recipients "Happy Mealtimes" from the Redwood Empire Quilt Guild. The Activity Director is always happy to get them and says they'll be distributed promptly. Since we all may have a little more time now that the Christmas rush is over, it would be great to make sure all recipients get a set before our year ends. It doesn't take long...make it simple...and will make someone's tomorrows a little brighter! Remember...14" by 18" is a good size, but a little smaller is ok too. I'd like to be able to take in another load after the March meeting. See you in March!

Quilt Raffle

Don't forget to buy raffle tickets for the chance to win a beautiful vintage quilt donated by Willie Shuck. It is a wonderful example of hand applique. The quilt is also hand quilted.

Tickets are \$1.00 each or \$6.00 for five.

We will be drawing the winning ticket at the end of of March meeting.
 Be sure to save some of your basket auction money for a couple of raffle tickets.
 This will be the only raffle item in March as we won't have a raffle table.

COMMUNITY QUILTS

Lots of things coming up these days. March is the Basket Auction at the Guild Meeting and later on in the month is the Quilter's Weekend that will be at the Moose Lodge this year.

The trunk show at the February meeting was just awesome. It was amazing to see such a spectacular body of work from one person.

At the Board meeting this month everyone was introduced to SHELLY SELLERS as our next Community Quilt Liaison. Shelly has been a Show and Tell person doing the same thing that I was ten years ago when I joined the Guild. Shelly has many new and exciting plans for the future of Community Quilts and will have information on this in this Newsletter. I know that you will really enjoy working with her and she will be implementing plans as soon as possible to get things going.

Of course, I miss you already. Kits and bindings will be handed out until this May and you can turn them back in as soon as you are able. At this time, I expect to be around all summer and available to take quilt tops and bindings at that time. We will be in a period of transition, so do ask any questions while all of this is happening.

Floral March Madness REQ BOM- 03/20

Welcome to March, it being a little “Maddening” deciding on a choice! Just kidding!... This block has quite a lot of pieces, mostly half-square triangles, and small hst squares in the green pieced corners. It being the middle of winter, I chose to use bright colors, reminding me of the local daffodils. This one is a little tricky in the corner block, but the quick method of HST (eight at a time) makes parts of the block a little faster! Given that one needs to trim, press, and focus on 1/4” seam makes this come together nicely. The fabrics used were batiks (orange center, green leaves) with yellow and cream marble for the background.

FABRIC CUTS- with “quick hst”**Half square triangles-8 at a time** Cut: (1) *green batik* 6 3/4” , and

(1) 6 3/4” *cream marble*. (A). With right sides together, draw 2 diagonal lines corner to corner on the lighter square. On each side of these lines draw a sewing line 1/4” away. (B) Sew on these lines. (C) *Pictured above are sewing and cutting lines*. Cut on the center line of each diagonal and cut two lines through the center- one on the vertical and one on the diagonal, directly through the corner point. You should have 8 HST. Using a circulating cutting mat helps here.

Do the same for the yellow using a 6 3/4” square in yellow and cream marble.

Fabric CUTS:

Gold/ Orange: (1) 4 1/2” square (center block)

Green: (4) 2 1/2” x 1 1/2” rectangles, (4) 2 1/2” squares,

(2) 2 1/2” squares for the corner hst (w/ the orange) makes 2 each

(1) 6 3/4” square = 8 hst

Orange: (4) 2 1/2” x 1 1/2” rectangles, (2) 2 1/2” squares to use for hst in the corners with the green. Make 4 hst and trim to 1 1/2” squares.

Yellow: (4) 1 1/2” x 4 1/2” rectangles, (1) 6 3/4” square to make the quick 8 HST w/ cream.

Cream: (4) 2 1/2” squares (each outside-corner), (2) 6 3/4” squares for the quick 8 (goes with green and yellow).

DIRECTIONS: The quick HST directions are above which should result in 8 HST each of cream/green, and cream/yellow. Be sure to trim and press seams open and then set aside for now. It's time to lay out all the pieces following the picture above. It's a little small, but this helps tremendously to get the pieces in the right direction.

The following pictures are the two blocks you'll be sewing together to make four of each.

Corner blocks-

A). Using the green and orange $2\frac{1}{2}$ " squares, with right sides together draw a line diagonally and then sew $\frac{1}{4}$ " to each side to make half square triangles. Cut to separate, press open and trim down to a $1\frac{1}{2}$ " squares. (These will be placed with the orange touching the center square.)

B). With the hst and the small $1\frac{1}{2}$ " green square, sew these together with the green square next to the green side of the hst. (4 pairs sewn together). Press to green square side.

C) Sew the green $2\frac{1}{2}$ " x $1\frac{1}{2}$ " rectangle to the green/orange hst+square. Press, trim. This will make $\frac{1}{4}$ of the inside corner block.

D) With the piece sewn in C) sew this to a green/cream hst, matching the direction in the picture, with the green touching the rectangle/hst piece.

E) The top part of this corner block needs a plain-cream $2\frac{1}{2}$ " square sewn to the $2\frac{1}{2}$ " green/cream half square triangle, placing the cream square in the outer corner.

F) Now sew these two together into a 4 patch, seams matching, press open and trim. Complete this with the next 3 corner blocks.

Center side blocks: The picture on the right has a blue hue to it. This is the picture I placed here but **It is not blue!**

First sew each of the hst together to make it look like 4 flying geese.

Sew the yellow and orange rectangle ($2\frac{1}{2}$ " x $1\frac{1}{2}$ ") strips together.. press open and then sew this to the "flying geese units" matching the yellow strip to the yellow side of the flying geese!

Trim to $4\frac{1}{2}$ " square. Once these are pressed, you now have a 9-patch to sew together.

Sewing the block parts together:

Once you sew all the parts you are now going to sew the top and bottom rows together and press toward the center. With the center row sewn together, press towards the outside, sew the rows together nesting nicely for the final seams. Press and trim to $12\frac{1}{2}$ " block.

Happy St. Patrick's Day, by the way!
